

MEADOWBROOK

ANIMAL HOSPITAL

PRE-OPERATIVE INSTRUCTIONS

If your animal develops an upper respiratory disease or illness including vomiting or diarrhea prior to surgery, please call us at [\(816\) 429-6109](tel:8164296109).

Dietary Restrictions:

- No food after midnight the night prior to surgery
- Eating prior to surgery may result in delay or cancellation of the surgery
- Water is ok up until surgery, but no excessive drinking
- No medications are required prior to surgery, unless otherwise noted by the veterinarian

Upon Your Arrival:

- Report to the receptionist the morning of surgery to check in (typically 8:00-9:00 AM)
- A veterinary technician will discuss protocols and the surgical procedure to be performed including CPR consent
- A veterinary technician will also review estimate for the procedure
- Please provide an emergency phone number if you are unable to be reached surgery day

If you have any questions, do not hesitate to call Meadowbrook Animal Hospital at [\(816\) 429-6109](tel:8164296109).
